

Fundamentals of Deep Learning

Part 5: Pre-trained Models

Agenda

- Part 1: An Introduction to Deep Learning

- Part 2: How a Neural Network Trains

- Part 3: Convolutional Neural Networks

- Part 4: Data Augmentation and Deployment

- Part 5: Pre-Trained Models

- Part 6: Advanced Architectures

Review So Far

Review So Far

- Learning Rate
- Number of Layers
- Neurons per Layer
- Activation Functions
- Dropout
- Data

The background features a series of diagonal, overlapping bands in various shades of green, creating a sense of depth and movement. A solid, vibrant green vertical bar runs along the left edge of the frame.

Let's Get Started!
